

First In Families of North Carolina

First In Families of North Carolina has started Time Banking as a perfect complement to our core belief that everyone has something of worth to share with others. The new FIFNC Time Bank is open to the entire community of Durham County. We are interested in the many skills and talents of everyone, including people with disabilities and their families, the elderly, the homeless and others who have perhaps not been asked what they can contribute or how they might be able to give back.

Spend an hour doing something for an individual or group that is a member of the Time Bank and earn a Time Dollar. Then use that Time Dollar to receive an hour of a member's time for something you need in the future. It's that simple, yet it has profound effects. This concept of investing in the Time Bank through the giving of your time and talents will improve our communities in untold ways!

First In Families of North Carolina is hosting monthly membership/ orientation meetings to give people an opportunity to learn more about Time Banking and to sign up to be a member. **Monthly meetings will be held on the 2nd Thursday of each month at The Reality Center.**
